

## Applications are invited for the post of LAB ASSISTANT

<b>Company name</b>	<b>PSG INSTITUTE OF ADVANCED STUDIES</b>
<b>About the Institution</b>	PSG Institute of Advanced Studies (PSGIAS), an institution under PSG group offers opportunities for international education. In order to make the International Education affordable, PSGIAS has entered into collaborations and signed several MoUs with various Universities. These collaborations allow students to study major portion of the program at PSG in India. The curriculum is the same as that of PSG College of Technology, which has proved its contribution to engineering education in the country. The admission process is directly through PSGIAS. The education programs currently offered are with the universities in the USA, Germany, UK, and Australia.
