

Applications are invited for the position of **Research Fellow** under the “PSG and Sons Charity Fellowship” for a project under the **Fibre Composites Domain**.

- Fellowship: Rs 13,000 (Thirteen thousand rupees only)
- Number of positions - 1
- Minimum Qualification - M.Sc. / MTech
- Suitable Domains - Candidates are required to have a background in any of the following domains - nanotechnology, composites, polymer science, physics, chemistry or textiles.

No TA/DA is permissible if called for an interview.

Successful candidates will be advised to enroll for Ph.D.

Scope of work -

- Development of composite materials
- Material characterisation and physical testing
- Fibre / Polymer surface modification and analysis
- Nanomaterial synthesis and incorporation
- Coating techniques
- Electrospinning
- PhD enrolment / publications

The application with a cover letter including a complete bio-data, degree certificates and additional credentials should be mailed to Professor Arun Vijayan at avn@psgias.ac.in on or before 31.01.19. Eligible candidates will be called in for an interview, at PSG Institute of Advanced Studies.
